

## Termination of Treatment

If mental health treatment is considered ineffective or you default on payment, Harmony Heaven has the right to discontinue treatment. We will end the patient/provider relationship only after discussing the reasons for the termination. At this time, Harmony Heaven will provide you with a list of qualified mental health professionals in your area. For legal and ethical reasons, should you fail to re-schedule a missed or canceled appointment for 4 consecutive weeks, Harmony Heaven has the right to discontinue the professional relationship.
